PSHE

Living in the Wider World

- about the role of money
- ways of managing money (budgeting and saving
- about what is meant by 'interest' and 'loan'
- about the sustainability of the environment across the world
- What it means to be 'enterprising
- that information presented in the media can be misleading

Say No to Bullying - Anti-Bullying Week

Historical, Geographical and Social Understanding

Geography: London
Where is London? What is it like to live in a city? Why do people choose to live there? Attractions and land marks

History: Ancient Greece

The Arts

Art:– Design and make printed wrapping paper which uses a repeating pattern

MFL: Unit 11 Le Carnaval des animaux ('Carnival of the Animals')

Music: Ancient Worlds (Music Express focussing on structure)
Christmas songs – sing in unison and solo

Literacy
Stories from Historical settings (4 weeks) – Goodnight Mr Tom   Read and write own stories that are set in the past

Persuasive writing (1 week)
Read and investigate different types of persuasive writing e.g. leaflets, radio and TV adverts. They will then create their own to sell their products at Christmas extravaganza

Explanation texts (2 weeks) –
Based on the book – Until I met Dudley by Roger McGough. Read texts explaining how everyday objects work, invent their own machine about how to 'label Christmas presents' and write an explanation of how it works.

Hook – We need to pitch for money from the Dragon to run our own business. We need to design and make our own items.

Theme: Dragons Den - Enterprise

Focused Experiences: Holywell's Christmas Extravaganza– Thursday 5th December

Numeracy:
Multiplication and division
Multiply by 10, 100 and divide by 10 and 100
Multiply by 1 and 0 and Divide by 1
Multiply and divide by 6, 7 and 9
6, 7 and 9 times table and division facts
Measurement: Length and perimeter
Kilometres
Perimeter on a grid, Perimeter of a rectangle and Perimeter of rectilinear shapes

Scientific and Technological Understanding

Science: Electricity

How do we make circuits using different components?
What are conductors and insulators?
How can we make circuits? Link to D.T

Design Technology:
 Design and make their own Christmas window display for Fenwicks that lights up (Link to science work on circuits and conductors)

ICT -

IT: Patterns using graphic elements. Link to art work on printing patterns and making own wrapping paper. Create a simple stamp made up of several shapes and colours, use grouping and copy and paste to create a repeating pattern
