Christmas Performance week

Welcome back!

Where has the past month gone?

We have already been back to school for 4 weeks!

Before you know it, it will be time forCHRISTMAS

The children have returned to school raring to learn and are already enjoying the challenges of being in their new classes. Our new Nursery and Reception children have joined school as if they have always been here and have been amazing – Mrs Stewart and Mrs Saxton are so proud of them all.

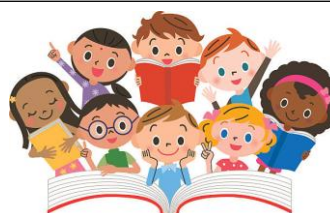

We have a LOT of things happening this term and information will be circulated about events and activities via email primarily, so please ensure you are checking your inbox regularly.

WEEKEND READING BOOK AMNESTY – YOUR HELP IS REQUIRED!

Before the summer, children were sent home with reading books to enjoy over the holidays. Unfortunately, a large number of these have not been returned as yet.

Please can you look through last year's school bags, bedrooms and bookshelves and return any school books to school as soon as possible.

Unfortunately, due to budget constraints, we will be asking for any lost books to be replaced as school does not have the funds to buy more new books at the moment.

Your help with this is greatly appreciated.
