

**Only 40 more school days left of this academic year ...**

Time has flown by since Christmas and it is frightening to think that there are so few school days left of this year.

We have a lot to fit into those 40 days, so keep a look out on the website and within newsletters for upcoming events.

We have some 'thank yous' and acknowledgements to make in this fortnight's newsletter. Firstly thank you to Mr. Wood and Miss Roberts who accompanied Mrs Endacott and Year 4 to Robinwood last week. Great fun was had by all and the children found Mr.

Wood's screams on the giant swing particularly amusing!

We are so grateful to both Mr. Wood and Miss Roberts for volunteering their time for the residential visit—we would have been lost without you both!

**THANK YOU!**

A HUGE thank you must also be made to Mrs. Gillian Barry who has secured a grant from Lakes and Dales for the PAF Association. This grant of £225 has been given to school to partially fund the Year 4 leavers' hoodies this year! We are so grateful to Mrs. Barry for thinking of this and applying for the grant—it is so very

kind.

This means that for this year, school will be able to add the remaining funds and every child in Year 4 will receive a commemorative hoodie without cost to parents/carers.

Special thanks must go to our children who represented school in the recent inter-schools golf competition and ..... **WON!!!**

Well done and thank you all so much—you really are golfing superstars!

Last but not least, thank you to all of our Year 2 children who (as you may know) have had 'special jobs' to do this week. SAT week is always hard in any school; but this class have tried so hard and been little stars for Miss. Dodds all week—Well Done Year 2!

**King and Queen of the Fayre**

Every year, a King and Queen are chosen from all of the children in school—their special job is to officially open the school Summer Fayre.

They then have a special jobs throughout the Fayre including drawing the winning prize raffle tickets with Mrs. Brett!

All of the children's names go into the draw to choose one king and one queen. Therefore (to avoid upset and disappointment) if you know your child is unable to attend the fayre, please email Mrs. Reed by Monday 3rd June and their name will not be included in the draw.

### School Meal Reminder

Our new menu will commence when we return after half-term.  
If you have not already done so, please let Mr. Wood in the office know of any meal changes following this menu change.  
Please also remember that one week notice is required to change meal preferences, as we must give the food preparation kitchen this notice for ordering.

### SUMMERTIME

The weather has been very nice this past week and is hopefully paving the way for lots of sunny days ahead.  
With this in mind, please could you ensure that all children have sun cream applied before they come to school. Please can we also ask that children bring their own named sun cream for application at lunchtime and for outdoor PE sessions. Roll-on sun creams are available in most chemists/supermarkets and are much easier for children to apply.  
Please ensure that you teach your child how to apply their own cream (in whatever format you buy it) - as staff are not permitted to apply sun cream to children.  
We cannot stress enough that creams must be NAMED and are sent in to school each day in your child's school bag.

We would like to share some of the Parent/Carer comments left at Parent/teacher consultation evenings.....

*"I think learning workshops are fabulous—bring the confidence out in my child!"*
