

PE

Dance

We will learn some Bollywood moves and put them together in order to create our own Bollywood dance.

NUFC- Team Games

Under excellent instruction from the NUFC leaders the children will learn how to work together in a variety of different games.

French

Transport and Barnaby Bear

Barnaby bear will travel around and help the children look at different modes of transport.

Art

Printing / Pattern

The children will learn to use a range of materials creatively to design and make products.

R. E.

Christianity- Jesus

We will discuss how Christians think of Jesus as special, above all for his resurrection; know in some detail some stories told by and about Jesus; and know about the main events in Jesus' life.

Geography

We are going to look at a contrasting Indian village to Holywell and use basic geographical vocabulary to refer to compare the two places.

Year 2 Term 2b

This half term we will be taking a look at a village in India and comparing life there to life in our village.

Music

Music Express- Weather

The children will be exploring sounds using different types of weather as a stimulus.

We will also be looking at a variety of composers and how influential they were.

Computing

Internet research

The children will be using the internet to research different aspects of life in India.

Science

Plants

We will be continuing to look at how plants grow and the conditions they need. We will watch our bulbs grow and plant them in our village and we will plant and monitor the growth of sunflower seeds. Who will grow their flower the tallest?

PSHE

Relationships- The children will continue to look at a variety of relationships. We will talk about good and bad relationships and how the children deal with them.
