

Summer Term B - Nursery 2019

Literacy

In phonics we will continue segmenting and blending sounds we know in simple words. We will play phonics games that encourage initial sound recognition, and blending and segmenting these sounds in words.

We be focusing on the story The Very Hungry Caterpillar—creating story maps, and recalling events from the story in pictures and words.

Understanding the World

We will learn about the Life cycle of a butterfly. Learn about caterpillars and butterflies and their habitats.

Personal, Social and Emotional Development

We will start to discuss in circle times our moving to reception. Children will begin to spend more time with Miss Storey and join in with whole school playtimes in preparation for September. We will think about all the things we have learnt in nursery and how we have changed and grown

The Very Hungry Caterpillar

Mathematics

Opportunities and activities:
Matching objects to numbers
Recognising and ordering numbers and quantities. Early additions and subtraction activities
Problem solving activities
Mathematical opportunities will be based around loose parts and our focus stories where possible.
Learning about symmetry.

Communication and Language

Opportunities and activities:
Phonics - Continue with Letters and Sound Phase 1 & 2 activities that support listening and attention and sound discrimination. Begin to focus on sounds in words by playing games such as I spy, sound hunts, letter hunts, and collecting objects. Continue Jolly Phonics and use letter sounds s,a,t,p,l,n, to support blending and segmenting

Physical Development

Opportunities and activities:
Continue to develop fine motor skills for writing and mark making. Encourage children to mark make and write for a purpose.
Weekly PE sessions.

Expressive Arts and Design

Opportunities and activities:
Colour mixing caterpillar artwork.
We will explore symmetry through artwork making butterflies.
