Polite reminders:

Jewellery is not permitted to be worn in school. We have an increasing number of children attempting to wear earrings for school, which is in contravention of school policy.

The school policy on jewellery states that the children may only wear a watch.

Children wearing earrings will not be permitted to participate in any sporting after-school clubs.

Staff are not permitted to remove earrings for children or cover with plasters, therefore they must be removed for school and clubs.

NEWS

Maths Workshops will be taking place in school on 17th March 9-10am—these are a great opportunity to work alongside your child(ren) whilst learning how maths concepts are taught.

We would love to see as many parents/carers in school as possible to help support their children.

Our PAF report that the latest clothing collection raised a brilliant £112! Well done to everyone.

They will be organising another in June/July, so are encouraging everyone to hold onto any unwanted items to go towards the next total.

Today your child will be bringing home a copy of a school questionnaire (an electronic copy is also being sent to each registered email address). We really would like your opinions and as many responses as possible. These should be returned by 18th March. Your feedback helps us form the future plans and developments of the school, which in turn keeps our school strong and ensures that 'learning is an adventure' for the children of Holywell.

Your assistance with this is hugely appreciated.

Easter Eggstravaganza!

Children are invited to decorate eggs for our annual competition. All eggs **MUST** be brought into school at 8.40am on Wednesday 23rd March **ONLY**. No late entries will be permitted. Parents/carers have a category they can enter if so desired. Prizes will be awarded after judging!

School App Re-launch

We have re-launched our school App—please use this QR code to download or update the app on phones and tablet devices.

The app contains everything you would expect in a mobile phone app. There is also a function to allow users to register on the app.

To register, please click on the cog in the top right corner of the app. The unique school code for the school is 8764.

You will be asked to put in an email address so we can verify you. When you have registered you will be able to select your preferences, choosing the year groups from which you wish to receive notifications. You can choose more than one preference.

All the alerts the school has sent in the last few days can now be viewed. You can access the previous notifications by clicking on that cog in the right hand corner. If you register in the app, it will also be possible for you to receive secure information within the app in the future.

School Football

The teams played their first home game last Saturday to Abbeyfields and tried really hard.

Scores were:

Yellows: 1-5

Blues 0-4

This Saturday 12th March, the fixtures are at home to St Roberts. Yellow team are to arrive at approx. 9-15am to help get the nets in position for a 10am kick off.

The blues will kick off straight after the yellow match is over and will be expected to help take the nets down after the game.

It is requested by the coach that ALL players and families assist with the nets. This is a team event and the whole team is needed to help with this little chore. It is unfair that the same few people help out each week. Please do your bit for the team!
