

Father Phil-Vicar and Area Dean:

I have returned to the Governing body
at Holywell1st School, as our Church representative
Richard Gascoyne is leaving the area next year.

I promised that I would continue the good work
and be a dedicated Governor, also as a member
of the Strategic Policy and Direction Committee.

As you know, the School means a lot to me
and I have visited and led assemblies for 10 years
now. I am a trained teacher, and have been a School
Governor at many schools in the past. I am delighted
to be a School Governor again, and will support the
children and staff alike.
