

Holywell Village First School

School Policy for Dealing with Unacceptable Behaviour on School Premises

Policy Rationale:

The governing body of Holywell Village First School encourages close links with parents and the community. It believes pupils benefit when the relationship between home and school is a positive one. We believe staff, parents and children are entitled to a safe and protective environment in which to work. Behaviour that will cause harassment, alarm or distress to users of the premises is contrary to the aims of the school.

Aims:

- That all members of the school community treat each other with respect

Expectation:

- That adults set a good example to children at all times, showing them how to get along with all members of the school and the wider community
- That no members of staff, parents or children are the victims of abusive behaviour or open to threats from other adults on the school premises.
- Physical attacks and threatening behaviour, abusive or insulting language verbal or written, to staff, governors, parents and carers, children and other users of the school premises will not be tolerated and will result in withdrawal of permission to be on school premises.
- Any parent who is asked to leave the school premises will have the right to appeal the decision by writing to the Chair of Governors Please note that incidents of rudeness will be logged with the Chair of Governors.

Procedure to be followed

If a parent/carer behaves in an unacceptable way towards a member of the school community, the head teacher will seek to resolve the situation through discussion and mediation. If it's appropriate, the school's complaints procedures should be followed.

Where all relevant procedures have been exhausted and aggression or intimidation continue, or where there is an extreme act of violence, a parent/carer may be banned by the head teacher from the school's premises for a defined period of time.

In imposing a ban, the following steps will be taken:

1. The parent/carer will be informed, in writing, that they are banned from the school's premises, subject to review, and what will happen if the ban is breached e.g. police involvement or an injunction application may follow
2. Where an assault has led to a ban, a statement indicating the matter has been reported to the employing body and the police will be included
3. The chair of governors will be informed of the ban
4. Where appropriate, arrangements for pupils being delivered to and collected from the school gates will be clarified.

Guidelines

Types of behaviour that are considered serious and unacceptable and will not be tolerated towards any member of the school community:

This is not an exhaustive list but seeks to provide illustrations of such behaviour:

- Shouting, either in person or over the telephone
- Inappropriate posting on Social Networking sites deemed as bullying
- Speaking in an aggressive/threatening tone
- Physically intimidating, e.g. standing very close
- The use of aggressive hand gestures/exaggerated movements
- Physical threats
- Shaking or holding a fist towards another person
- Swearing
- Pushing
- Hitting e.g. slapping, punching or kicking
- Spitting
- Hate speech, racist, homophobic or sexist comments

Unacceptable behaviour may result in the Police being informed.

The school reserves the right to take any necessary actions to ensure that members of the school community are not subjected to abuse.

School premises are private property and parents have been granted permission from the school to be on school premises. However, in case of abuse or threats to staff, pupils or other parents, school may ban parents from entering school.

It is also an offence under section 547 of the Education Act 1997 for any person (including a parent) to cause a nuisance or disturbance on school premises.

The police may be called to assist in removing the person concerned.

School is not responsible for organising arrangements for children in the above circumstances. Parents will need to provide alternative arrangements for bringing children into school.

Parents have the right of appeal by writing to the Chair of Governors within ten days of permission to enter the school premises being withdrawn.

Responsibilities:

It is the responsibility of the Head teacher and Governors to monitor and review this policy.

Conclusion

The employing body may take action where behaviour is unacceptable, or there are serious breaches of a home-school code of conduct or health and safety legislation. In implementing this policy, the school will, as appropriate, seek advice from the employing body's education, health and safety, and legal departments to ensure fairness and consistency. The policy will be reviewed annually.
