

PSHE

New Beginnings

- Our Golden Code of Behaviour - setting class rules.
- Value their individual gifts and talents.
- Develop their understanding of feelings and ways to manage them.

Health and Well Being

- Keeping Healthy.
- Making informed choices.

French

Unit 6 Ca Pousse (Growing Things)

History

The Stone Age to Iron Age:

The children will learn about how we can find out about the past as well as identifying the key features of the Stone Age to Iron Age such as:

- Palaeolithic, Mesolithic and Neolithic periods
- Settlements
- Farming/tools
- Animals

DT

Healthy Meal for a Caveman

Within this unit of work, the children will explore what 'seasonal' means and taste local seasonal foods. They will then design, make and evaluate a healthy, seasonal meal for a caveman.

Literacy

Narrative: In class, we will explore the book Stone Age Boy and 'magpie' ideas for our own narratives. The children will consolidate their previous learning of expanded noun phrases and use these to write their own descriptive sentence.

Poetry: The children will explore a range of poems before writing their own poem based on our whole school topic 'Being Healthy'.

The children will take part in a series of fun and engaging lessons linked to being healthy. Healthy minds, bodies and relationships.

**25th September 2019
National Fitness Day
Dancing, fitness and more....**

Numeracy

The children will develop their place value and ordering skills. They will expand their knowledge of mental and written strategies for addition and subtraction, including calculating 'real-life' problems involving money and measures. They will develop their understanding and knowledge of 2D and 3D shapes and data handling.

Music

Throughout the year, the children will have the incredible opportunity to learn to play the violin taught by Mrs Heady.

Science

Animals Including Humans

The children will learn that animals (including humans) need the right types and amount of nutrition and that they get this from what they eat. They will learn that humans and some animals have skeletons and muscles for support, protection and movement.

PE

Year 3 have the fantastic opportunity to complete a series of skills based lessons taught by specialists from Newcastle Football Foundation.

Computing

Computer Science:

Program and Coding:

- To use algorithms
- Introduce flow diagrams for algorithms
- Introduce CODE

R. E.

Islam and Christianity

The children will begin to explore the 5 pillars of Islam and the lifestyle of a Muslim. They will then begin to make links between Islam and Christianity.
