

Mrs. Gillian Vince
Vice Chair

I began my role as school governor in December 2011.
I have two children, both of whom used to attend Holywell
Village First School when they were younger. I have lived
in the Seghill / Holywell area all my life.

I work locally as a Speech and Language Therapist, and
have a number of years' experience working with
children with communication difficulties in both
mainstream and special educational needs settings.

As a family we enjoy walking (lots of exploring down
the Dene!), cycling and climbing. I also play netball for
a local team in Whitley Bay
